Dear Parent/Carer(s)

RE: Year 7 – Important information

We hope you have had a wonderful summer and the students are excited and ready for the new challenges ahead.

We would like to take this opportunity to welcome all new students to our school and remind them they will need to bring cash (coins and notes can be used) to school for the first 2 weeks if they wish to buy food in the refectories. It takes some time for the cashless catering system to import all new students and issue PIN codes, so we ask that they bring the cash so they can place it in the machine (further instructions will be given on Monday at school).

If you have any questions, please do contact the school to discuss them.

Yours faithfully

A S Drage (Mrs)
Director of Learning and Standards KS3
